Subject: Case No.-07-3645 JW

FILED

DEC 08 2007

RICHARD W. WIEKING
CLERK, U.S. DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE

Dear Judge Ware,

There appears to be collusion between our attorney and the bar's attorney which is working to mitigate Shannon Alynn Ramsay's case. Before charging both attorneys with illegal and unethical practices, we would like to meet with you.

As father assisting my blind daughter, I have undertaken advocacy on her behalf in order to achieve justice for the discrimination and wrongs committed by the bar to thwart her efforts to become a certified attorney in the state of California.

I have prepared two subjects which we would like to discuss with you.

With the Case Management Conference cancelled for Nov. 19, 2007¹ without Shannon's consent, and other acts of miss-conduct by the attorneys involved, it has become necessary to make this request to you to schedule a meeting, calling the two attorneys (plaintiff and defendant) before you to address unethical attorney conduct. I have numerous documents to support charges of violations of the ABA Model Rules of Professional Conduct, that we shall offer in support of this allegation.

The other subject is to request your advice as to what would be the necessary court procedure for Shannon, an attorney with J.D. degree, to take the case *pro se*?

Shannon and I would like to schedule a meeting with you for advice on these two subjects before taking any further steps.

Sincerely,

Alexander R. Ramsay
Alexander R. Ramsay

¹ Attorney John Shepardson told us on Nov. 18 that it was the court that cancelled the Case Management Conference, whereas the CMC was cancelled on Nov. 16 by order of the court, stemming from documents submitted without Shannon's approval by both attorneys. Our attorney misrepresented the court's action.
